

OTEKON 2024

11th International Automotive Technologies Congress

9-10 September 2024 / Sheraton Hotel – Bursa – Türkiye

OTEKON 2024 CONGRESS CLOSING LETTER

The International 11th Automotive Technologies Congress supported by Bursa Uludağ University and organized by BURKON was held at the Sheraton Hotel from 9 to 10 September, 2024, in Bursa, Türkiye. It is our pleasure to express gratitude to all those who attended this congress and made this event a great success.

We would like to thank our Rector Prof. Dr. Ferudun Yılmaz for his support to OTEKON 2024 Congress. We do also express our thanks to all of keynote speakers, authors presented their works, reviewers, scientific and advisory committee members and sponsors for their great support.

OTEKON 2024 Congress was a unique platform to gain an insight on the research activities and discuss the automotive technologies and their applications especially in automotive industry.

The International 12th Automotive Technologies Congress (OTEKON 2026) will be held in September, 2026 in Bursa, Türkiye. We look forward to welcoming you to OTEKON 2026 Congress, join us at this major event in beautiful city Bursa.
